

INNOVATIVE

STRATEGIC

SOLUTIONS

January 2022

Dear Colleagues and Friends,

Are you in search of an operational perspective to build the future as you see it? The team at Innovative Strategic Solutions, LLC is proud to announce the official launch of our exciting new collaborative.

Innovative Strategic Solutions (ISS) is a community of intentional, multifaceted individuals with a combined 77 years of experience in education at all levels. We strive to ignite collaborative networks in private and public education, as well as not-for-profit sectors, through skillful planning, coaching, and professional development. Innovative Strategic Solutions uses our knowledge and experience, blended with your existing practices, to help your school meet its goals. Together our team of dynamic educators can offer strategic and targeted support in the following areas:

- Educational Leadership
- Teacher and Leadership Development
- Curriculum and Instruction
